

Digital Marketing for
Real Estate, School, Hospital & more

www.cognitionventure.com

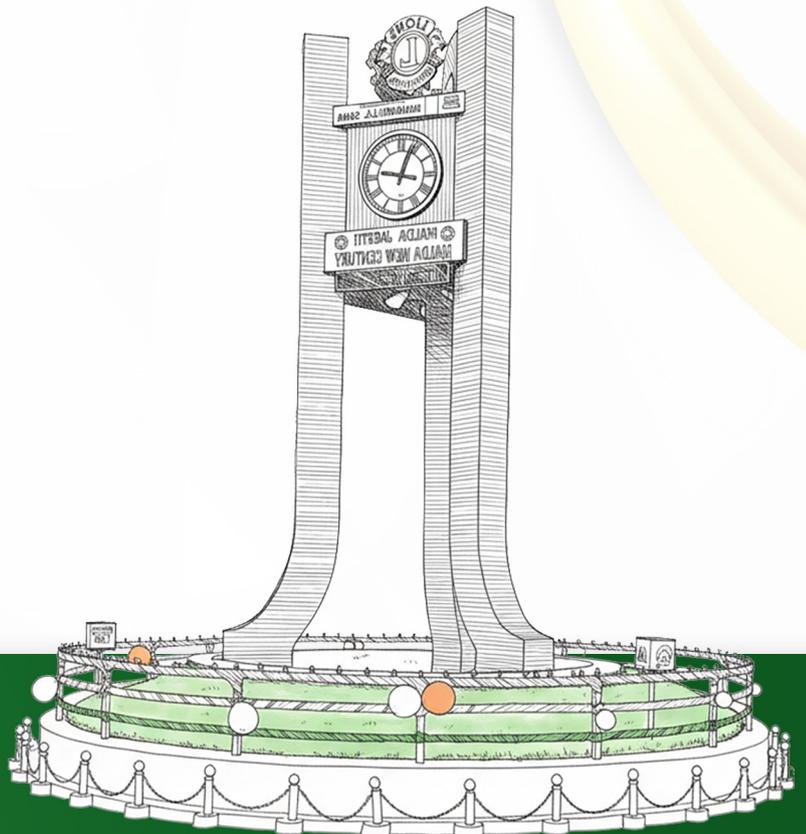

We do Branding!

World is Full of Choices, yet 95% of our Clients Choose us Again

Cognition Venture is the leading digital marketing agency in Malda, West Bengal for real estate, schools, hospitals, and more. Since 2021, we have been delivering professional SEO, Google Ads, Meta Ads, social media marketing, website design, and web development services, helping businesses and institutions increase online visibility, generate quality leads, and grow through well-planned, data-driven digital marketing strategies.

6+ Years Experience

OUR SERVICES

SEO Optimization

Dominate search rankings and pull organic traffic with battle-tested strategies built for competitive markets.

Social Media Marketing

Build a loyal, engaged audience across all major social platforms with content that resonates and drives action.

Video Editing

Engaging video content – from Reels to brand films – that stops the scroll and drives real engagement.

Brand Strategy

Build a cohesive, powerful brand identity from the ground up – positioning you to stand out in crowded markets.

Meta & Google Ads

Precision-targeted PPC campaigns that convert browsers into buyers and maximise your return on ad spend.

Graphic Design

Visually stunning brand identities, marketing collateral, and creative assets that make lasting impressions.

Web Development

High-performance, conversion-optimised websites and landing pages that represent your brand at its absolute best.
